

THIS SUMMER, AEGEE-Patra and AEGEE-Novi Sad call you to take part in this special event: Balkan wedding! The beautiful bride is from Novi Sad, the lovely groom is from Patra. And now it's time for the wedding! The date? July 2010! The wedding starts in Novi Sad where the bridesmaids gather for the preparations. Then it's time for the bride's family to make the unique trip through the Balkans and end in Patra. After the wedding, there is the honeymoon in Zakynthos with a boat trip around the island! Feasts will last two whole weeks and we expect only AEGEE spirit!

Are you going to miss it?
